Alvarado Citizens Investigate Cost and Details Of Installing Sanitary Sewage Disposal System

ALVARADO — A committee was appointed at a meeting of citizens held at the Alvarado Grammar School last Thursday night to continue investigation regarding the installation of a sanitary system in that community. The meeting was called by the Chamber of Commerce and those present seemed unanimous in the desire to have the sanitary district established.

Cedric Macabee, Hayward engineer who has charge of the Castro Valley Sewer system now in the process of construction, outlined plans for the Alvarado system. He said he estimated the collection system and disposal unit would cost \$42,000 but as the assessed valuation of the district is thought by preliminary survey to be about \$230,000, the 15 percent tax which is limited by law would bring only about \$37,000 and that certain curtailments in the plan could be made to bring the cost within this limit.

Alvarado at present has no sewer system. Cess pools, septic tanks and open sewers take care of sewage, a condition which Dr. I. O. Church, Alameda County Health Officer strongly recommends be remedied. The only hope for the solution of the problem, according to a letter from Dr. Church to the Chamber of Commerce is the installation of a sanitary system. A recent epidemic which resulted in the death of one child was thought to have been caused by local insanitary conditions.

—Includes 220 Buildings

The proposed district would conform to the boundaries of the old fire district. It has an area of 330 acres with 220 houses and stores and a population of from 700 to 900. The proposed system has been designed to take care of a population of 1500 as new settlers are expected to come in when the sanitary question has been settled. The disposal plant would include a clarifier, the most modern feature of sanitary systems which treats the sewage and purifies it so that the overflow can be used for irrigation or dumped into the bay.

Macabee pointed out that it is only a question of time until the state law which prohibits dumping of untreated sewage into the bay will be enforced because of activities of the State Board of Health and the Fish and Game Commission.

The suggestion that a hook-up be made with the sewage treatment plant being installed by the Holly Sugar Company would not be feasible, according to Walter Ziegler, superintendent. The sugar mill's system is more than half done and would prove too large for the town during the months when not used by the plant. The combination of private industrial and community control would not prove satisfactory anyway, according to Ziegler. He promised co-operation, however, in any way possible.

—Committee Named

Aid of Supervisor George Hellwig of Alvarado was also promised speakers said. In the absence of President Charles Baird, Joseph Lewis was chairman pro tem and George Oakes acted as secretary. The following committee was appointed to make further investigations: Frank Machado, John Ralph, Fred Wiegman, George Oakes and A. A. Lee.

Macabee estimated that a dollar tax would be necessary to install the sanitary system. After the first five years this would approximate 75 cents. The estimates were based on private contract without WPA as it was thought unlikely that the latter could be secured.

The method of procedure was outlined as follows: First, the sanitary district must be organized. A petition representing 25 percent of the residents must be presented to the county supervisors who will call a meeting at which protests may be heard. This meeting will be advertised for three weeks. If the petition is granted, date is set for an election, this also to be advertised for three weeks.

At the same time residents vote on the establishment of the dis-

ALUMINUM LUNG NOW ON HAND AT CENTERVILLE

RESUSCITATOR PROVIDED FOR TOWNSHIP USE BY COUNTY HEALTH BOARD

CENTERVILLE — The aluminum lung demonstrated at Centerville recently under the auspices of the Washington Township Health Center board has been purchased by the board and placed at the Chapel of the Palms at Centerville where it is available for emergency use day or night, according to Frank T. Dusterberry, secretary of the board.

A class of instruction was given at the Chapel of the Palms Saturday afternoon when the following were present: Dr. E. M. Grimmer, Deputy Sheriff Tom Silva, Fire Chief Fred Rogers, Assistant Chief Farnk Madruga, Dallas Paul, Mr Dusterberry, John Dusterberry, Lois Paul and Charles Gillespie, supervisor of first aid stations in Alameda County.

Lois Paul and John Dusterberry wore the aluminum vest during the demonstration and motion pictures were taken of the patient in the lung and while being placed in the ambulance, showing that the apparatus can continue working even when the patient is being moved from place to place.

Donation of the aluminum lung to the community is another of the numerous services given by the Health Center Board and contributions from local citizens are financing the purchase of the apparatus.

The aluminum lung is similar to the iron lung and is helpful in the treatment of infantile paralysis, heart diseases, exhaustion or any ailment of the respiratory system. It is effective in resuscitation after drowning or asphyxiation.

The aluminum unit is lighter and less costly than the iron prototype and the user may walk about while wearing it.

HIGHWAY DIVISION CANNOT CHANGE SIGNS AT NEWARK

NEWARK — The Newark Boosters Club held their regular meeting Thursday evening at Silva's Hall with A. E. Francis, presiding. A letter was received from the Division of Highways in reply to one written by the Boosters club recently in regard to the 25-mile zone signs. The Division's letter stated that according to law they have no power to change them.

Francis reported that he would decorate a car for the Alameda County Fair and Fiesta Del Vino

they elect five commissioners, the five highest named to be chosen. This election will carry with a majority vote. When the district is once established, another election must be held to vote the bonds. This vote must have a two-thirds majority to carry.

"MOOPIE GIRL OF THE PASTURE"

A MOO-VING PICTURE. Elsie, the glamour cow, arrived in Hollywood for her film debut last week with all the fanfare accorded a top-ranking movie star. Greeting her with glass bottles of milk and a brass band were eleven film players including Kay Francis and Jack Oakie, pictured above. Heralded as the most widely known cow in the world, Elsie was formerly on exhibit at the New York Fair.

Free Clinic For Immunization Saturday At 8

CENTERVILLE — The Washington Township Branch of the Alameda Public Health Department will hold its third immunization clinic at the Centerville office on Saturday morning, July 27, at 8 o'clock. All persons eligible for county care who wish to be immunized against diphtheria or smallpox or to be given tuberculin tests are referred to the clinic through nurses assisting Mrs. O. W. Ebright, local nurse in charge.

Nearly 100 persons have been given treatments already and it is planned to continue the clinic on the last Saturday of each month. This is a climax to the program of the past five years when the school population of the township is said to be 98 percent immunized. The general population is about 60 percent immunized and in some cases whole districts are rated 100 percent.

The monthly clinic follows a program of the past five years when annual campaigns have been put on during which the county health department furnishes the injection serums and private physicians perform the treatment at a small charge for those not eligible for county care.

Nurses who refer cases to the clinic are Miss Barbara Bradley of Pleasanton who visits several days a week at Warm Springs and Mission San Jose; Miss Clara Wilson of Hayward who visits at Irvington and Alvarado and Miss Mary Bushard of San Leandro who visits at Newark and Lincoln. Mrs. Ebright spends her entire time in this township.

GOING ON PACK TRIP

Mr and Mrs Robert Tyson will leave Monday for a two weeks' pack trip into the High Sierra country. This is their 12th annual pack trip and this year they will go to the source of the San Joaquin River at an elevation of 10,000 feet, in the country above Bass Lake. Accompanying them will be Mr and Mrs Arthur Whipple and son, Billy, of Pasadena and Mr and Mrs Niles Jacobus of Oakland.

parade at Pleasanton on Sunday, July 28. The following committee was appointed to take charge of an exhibit at the Fair this week: Arthur Cotton, chairman, Fred Muller and J. E. Pashote. A letter was received from the Alameda County Fair group at Pleasanton last week stating that Friday, July 26 would be Washington Township Day, and asked the cooperation of the Newark Booster's Club.

Francis, chairman for the patriotic dance to be held on Saturday evening, August 17 at Swiss Park, reported that tickets and posters were being distributed. Funds derived from the dance will go towards the purchase of a new town flag.

FOUR ACCIDENTS OCCUR IN THIS DISTRICT SUNDAY

THREE DRIVERS ESCAPE INJURY IN FOUR-CAR TANGLE AT WARM SPRINGS

Four accidents marked last Sunday in Washington Township, none of them, however, resulting in serious injuries.

At Mission San Jose where the Oakland Eagles were holding their annual outing on Sunday, E. De Mello, 63, of 1617 68th avenue, Oakland, strained a leg muscle while running in the past presidents' race and was taken to the Fairmont Hospital in the Berge ambulance.

Sunday evening, Tony Cunha, Jr., aged nine years, was struck by a car driven by John Sanchez Pilnez, 24 of 1116 E. 11th street, Oakland, and as the boy dashed across the highway to follow his father to the firehouse. The elder Cunha was enroute to the fire hall in answer to an alarm from a burning car on the highway. The Cunha boy suffered abrasions and was taken to the Hayward hospital in the Chapel of the Palms ambulance.

The monthly clinic follows a program of the past five years when annual campaigns have been put on during which the county health department furnishes the injection serums and private physicians perform the treatment at a small charge for those not eligible for county care.

Nurses who refer cases to the clinic are Miss Barbara Bradley of Pleasanton who visits several days a week at Warm Springs and Mission San Jose; Miss Clara Wilson of Hayward who visits at Irvington and Alvarado and Miss Mary Bushard of San Leandro who visits at Newark and Lincoln. Mrs. Ebright spends her entire time in this township.

GIRL CHAMPS WIN 13TH CHAMPIONSHIP

IRVINGTON — The World Champs faced a double jinx on Saturday evening at Lincoln Park, Jinx No. 1: The Alameda World's Champions earned their thirteenth state championship when they played Reno and won with a score of 16-0. Willie Turner piled up her 23rd no hit no run game.

On Saturday evening they will meet the Louisville, Kentucky team which they defeated last year in the finals by a score of 1-0. The largest crowd in baseball history is expected to be seen at Washington Park in Alameda when these two teams meet at 8 o'clock.

Pleasanton's 81 year old race track property has been transformed into a modern Fair grounds, bisected by new paved road, which is flanked by huge tents and exhibit buildings. A unique arrangement utilizes a natural setting of shady trees for a long tent court housing community and industrial displays.

Today Is Washington Township Day At County Fair; Races And Horse Shows Highlight Weekend

Washington Township takes command of the Alameda County Fair at Pleasanton today as a special program, complimentary to this district, is presented preceding the horse racing program in the afternoon.

Booming toward its climax, Alameda County Fair at Pleasanton will present horse racing programs today and tomorrow, horse shows each night, a grand Fiesta Ball Saturday night, a spectacular street parade Sunday morning, and a program of harness, stockhorse, and novelty races Sunday afternoon.

Seven running races will be presented today and tomorrow with pari-mutuel betting.

Tonight the first of three horse shows will feature stock of Alameda and Contra Costa County owners. A Spanish Pageant will open the show, with the program also listing stock horses, three-gaited pairs, Morgan stallions, three-gaited mares or geldings, Morgan sires with get, five-gaited horses, children's seat and hand class, trail horses, pleasure horses, Palominos, and four-horse draft hitch.

Horse shows open to the world are slated for Saturday and Sunday nights. The Saturday night program features exhibition drill by the San Francisco Sheriff's Posse and also lists jumpers, three-gaited mares or geldings, hackney harness ponies, stock horses, harness horses, six-horse draft hitch, five-gaited pairs, polo ponies, and combination five-gaited pairs, hackney harness ponies, combination three-gaited musical chairs, polo ponies, harness horses, stock horses, and five-gaited horses.

Fiesta Spirit

The Fiesta spirit comes to the fore Saturday night with the presentation of a grand ball, and reaches its height Sunday morning as a spectacular parade, in which many entries from this section will appear, opens the final day of the Fair.

Harness racing makes its first Alameda County appearance in more than a generation as four heats are run Sunday afternoon in conjunction with a program of amateur racing and exhibitions. Listed for the final afternoon performance of the Fair are a quarter mile race, boys' stockhorse race, girls' stockhorse race, one-eighth mile race, and special race between first and second place winners of boys' and girls' race. Novelty events are an old clothes race and a watermelon race. Exhibitions include silver mounted equipment, ranch groups, a junior stockhorse contest, and eight-horse draft hitch.

Opened with formal ceremonies Wednesday, the Fair started off with a racing program in the afternoon and a dance at night, and then swung into its first big day yesterday.

Future Farmers and 4-H Club members, including hundreds from this district had their day in the sun as they paraded through the Pleasanton business district to the Fair grounds, where they had a picnic lunch, and presented a special program before the grandstand.

Last night the finals in a county-wide amateur contest provided a program of dancing, singing, and specialty numbers, with several acts from this district appearing. Trophies were awarded to the contest winners.

Judging in the twelve departments of Fair exhibits was well under way yesterday, with the task of selecting prize winners from thousands of entries to be concluded today.

Pleasanton's 81 year old race track property has been transformed into a modern Fair grounds, bisected by new paved road, which is flanked by huge tents and exhibit buildings. A unique arrangement utilizes a natural setting of shady trees for a long tent court housing community and industrial displays.

CONTRACT LET FOR NEW SCHOOL AT CENTERVILLE

WRECKING OF PART OF OLD BUILDING BEGAN ON MONDAY

CENTERVILLE — Contract for the new Centerville Grammar School has been let to Carrico and Gautier, San Francisco contractors, on a bid of \$60,389. The bid was less than \$500 lower than the second bid of \$60,821 filed by H. H. Larsen of San Francisco. The high bid was \$68,915 received from a San Jose firm. Thirteen bids in all were received.

Wrecking of the rear portion of the present building was started Monday and the new building is expected to be completed by January 1. Students will be housed in the front portion of the old building when classes begin in September as the back half included a recreation room, auditorium, office and one class room. The cafeteria will be installed in the annex which will also furnish two class rooms.

The new building is to be stuccoed with an auditorium, six class rooms, office, library and nurse's room. Dick White of Centerville has been named inspector.

ROOSEVELT VS. WILLKIE

There has never been a presidential election like this one promises to be — and there will never be another one like it. For the issues on which it must be fought are at once so fundamental and so diametrically opposed that on November 5 the American people must choose between two roads as different from each other as night is from day; and from the road they choose there will be no turning back.

One road is pointed by the New Deal — with its eight-year record of experimentation and its steady movement toward governmental dominance of business, of social advances, of reforms, of labor, of capital — on to final solidification of American Democracy in a pattern of State paternalism.

The other road, strangely, is that of none of the political strategists. It is the road proposed by Wendell Willkie and the millions who spontaneously catapulted him into the Republican candidacy. His crusade is for a return of the control of government to the strict functions of government; for the liberation of farmer, worker, craftsman, businessman and investor from tax-financed competition.

The champions, strong and sincere men, will fight it out in the political arena. And the people silently watching and weighing, will decide, as always, their own fate.

CONTRIBUTION TO FREEDOM

From Nation's Business

Choose any alert boy or girl who stood for anything in the class of 1940. Find out by a few friendly questions what he or she wants.

Romance! That will be the answer. Romance of choosing a career. Romance of courtship and marriage, romance of climbing the ladder of life with more income from year to year, more power, more freedom to enjoy all the things that loom large in the heart of youth.

Your alert young friend may find his first job right at hand in business or farming. Or he may elect more years of training for medicine, engineering, law, or the other professions. But the boy or girl you question knows that in our country in normal times, complete freedom of choice will be given. In America the choice of a career is entirely free.

And the boy or girl knows that this freedom is the result of the American system of free enterprise, says Nation's Business. Every career, from the presidency of our nation to similar leadership in any profession, corporation or other institution, is open to the talents of him or her who can climb. This freedom was won for us by hosts of Americans who chose their own careers, installed as much machinery and other aids as they needed, did what selling was necessary to keep their farms and factories busy, and used whatever aids in selling were legitimate and in the public interest.

One of these aids is advertising. Advertising spreads the news and speeds up the sales of only those products and services which deserve to be speeded. Any intelligent young American, no matter what distorted or ignorant teaching he has received in school, is far smarter than those teachers and text book writers who claim that the intensive advertising of good commodities and services has been a detriment.

money is spent to provide for the citizens of Alameda County an annual fair wherein is exhibited the varied products grown and manufactured by its citizens. Amusements are provided and livestock is featured.

It is only the paid admissions which make a county fair possible year after year. The cost of operation mounts to a sizeable figure and the cost of annual maintenance is another fixed expense.

Notwithstanding sums provided by the Board of Supervisors and development groups, it is up to the public to patronize and support THEIR county fair.

Why not plan to entertain your guests or take a family party to the fair at Pleasanton for an afternoon or evening before it closes this Sunday night?

HERE'S THE LAW: NOW ENFORCE IT AND AMERICA CAN "CLEAN HOUSE"

Congressman Albert E. Carter scored a smashing victory over subversive alien elements in the United States and once again demonstrated the value of forceful perseverance with the approval by the Congress and signing by the President of the Alien Registration Act of 1940.

For more than four years Mr Carter has been battling for the enactment of such legislation. Often in the past he stood alone in the advocacy of such legislation. Victory now crowns the effort.

The legislation requires the fingerprinting of aliens seeking to enter the United States and all aliens now domiciled in the United States and materially stiffens the deportation laws covering undesirable aliens. It also makes unlawful attempts to interfere with the discipline of the Army, the Navy, and the Coast Guard.

In pressing for the passage of such legislation Mr Carter stated: "The vast majority of aliens illegally residing in the United States are either gainfully employed or on relief of one sort or another, thus depriving American citizens of employment or crowding them off relief projects or relief rolls."

Mr Carter asserted that "There is no authentic record of the number of aliens in the United States, either legally or illegally entered, but the accepted estimate of legally entered aliens is 4,500,000 and the estimates of the number of aliens illegally in the Country vary from several hundred thousand to several million.

Mr Carter points out that the enactment of this legislation, if scrupulously enforced, will automatically compel the deportation of a great horde of aliens now illegally in the United States or carrying on illegal activities under the Act and will thus provide additional employment for citizens now crowded out of employment by these aliens.

STILL TIMELY

In 1902 Ella Wheeler Wilcox wrote "A Plea." Though written thirty-eight years ago this poem sounds as if it had been written yesterday. Two verses follow:

Columbia, you know the devotion
Of those who have sprung from your soil,
Shall aliens born over the ocean
Dispute us the fruits of our toil?
Most noble and gracious of mothers,
Your children rise up and demand
That you bring us no more foster-brothers
To breed discontent in the land.
Be prudent before you are zealous,
Not generous only, but just!
Our hearts are grown wrathful and jealous
Toward those who have outraged your trust.
Columbia, too long you have dallied
With foes whom you feed from your store
It is time that your wardens were rallied
And stationed outside the locked door.

PERSONALLY SPEAKING

By Your Editor.

"STALE"? — Now and then one hears a weekly newspaper reader complain that the news is "stale".

So it is. Small weekly newspapers are made up, go to press, are folded and addressed nearly a

day before the first subscriber reads his or her paper. As a matter of fact, it borders on the amazing that two or three persons can punctually perform the variety of operations that go on in every small weekly plant on press day — and still make the mail.

The slightest mechanical stoppage throws the whole schedule out of gear.

Weekly newspapers at best can only give a summary, a compendium of the prior week's occurrences in its circulation area, and that only up to the day BEFORE the valued subscriber reads his or her weekly newspaper.

For example, in our own case: Register readers receive their copies Friday mornings. Their paper went to press at noon on Thursday: so no matter what event of importance transpires Thursday afternoon or Thursday night, there is no possible way it can be reported in your current week's issue.

This is the mechanical problem faced by all small weekly newspapers — and there is nothing anybody can do about it.

I am now giving you EIGHT pages of local news, all home print in the same 3½ working days within which you formerly received but FOUR pages of local news.

Which, in itself, is no small achievement for me and my single operator to perform week after week.

It takes three people two hours to hand fold each issue of The Township Register. Preceding that, two press-runs, (formerly but one) takes a little better than two hours. Then it takes another two hours for one person (myself) to hand-stamp the addresses on all the copies.

All the papers, properly addressed and packaged, have to be in the Niles Postoffice by Thursday

at 4:30 p.m. at the latest. Lately we have been making it by 4 o'clock.

C. E. PLANS TO PROVIDE CHOIR

CENTERVILLE — The High School Christian Endeavor met at the Centerville Presbyterian Church to discuss plans for town-wide organization on Monday evening. One of the projects which the group will undertake is a choir to supply special music at the services of the Presbyterian Churches. The results of the first practice were very encouraging. Members will participate also in the special evening service held this Sunday at the Centerville Church at 7:45. The Forum Club of the First Presbyterian Church of Berkeley will be guests on this occasion and will have entire charge of the service. Everyone is welcome.

CHURCH NEWS

ST. JAMES' CHURCH Centerville

The Young People's Fellowship was attended by 30 youths of Washington Township on Wednesday night, July 17, in Memorial Hall. Games, refreshments, and dancing occupied the group from 7:30 to 11:30. This week the fellowship went to Niles Canyon for a picnic and campfire. They met at the church at 6:30.

Private prayers for the continued growth of St. James' parish are asked on St. James' Day, July 25.

Sunday's sermon, "Is There a God?" presents a modern answer to an old question.

There will be special music, Miss Margaret Williamson will sing, "Dear Lord and Father of Mankind," accompanied by Miss Margaret Fair at the organ.

PRESBYTERIAN CHURCH CENTERVILLE

All protestant worshippers are invited to attend the services of the Presbyterian Church Sunday morning. Sunday school opens at 10:00 for children. Morning worship begins at 11:15 with Mr Henry B. Adams, student pastor bringing the morning message on the subject, "Taking On The Pilot." In announcing his subject, Mr Adams commented, "In these times, especially, when we do not know from one day to another what to expect, the question of Divine Guidance in planning our lives is very important. It is the only sure solution to the uncertainty of the times." All Christian worshippers are invited to hear this timely topic discussed.

PRESBYTERIAN CHURCH NEWARK

Sunday School and Church Worship begin at 10:00 Sunday morning. Classes for children are held simultaneously with the church service. Parents are urged to come and bring their children. Mr Henry B. Adams, student pastor, will bring the message. The title of Mr Adams' sermon will be "Taking On The Pilot." It will deal with divine Guidance for our lives in troublesome times. Especially in these days of uncertainty we need something sure by which to guide our lives. Such a sure guide is the Pilot whom we may take on.

**LILY PONS TO SING
TUESDAY, JULY 30
AT WORLD'S FAIR**

TREASURE ISLAND — Lily Pons and Andre Kostelanetz, a diminutive coloratura who has sung her way into the public heart accompanied by her husband, one of the most inspired conductors of the present time, will be co-guest stars at the Treasure Island San Francisco Symphony Orchestra concert at the Forty Fair on Tuesday, July 30.

Pretty, petite and unrivaled since the days of Jenny Lind, Lily Pons is an accomplished star of opera, screen and radio. Now, in collaboration with her conductor husband, Andre Kostelanetz, the two form what is perhaps the most outstanding team in the concert world.

Singing on Treasure Island, Miss Pons has selected five of her most popular numbers as her contribution to the evening's program. They are: Message of Love by Gounod; Echo Song by Bishop-LaForge; Saint-Saens' Song of the Nightingale; the ever popular "Uno-Voce Poco Fa" from the Barber of Seville; and the famous Mad Scene from "Lucia di Lammermoor" by Donizetti.

A limited number of unreserved grandstand seats will be sold at 25 and 50 cents. Reserved seats are priced at \$1. The Tuesday concert will be held in the California Coliseum and will start promptly at 8:30 p.m.

Loin Lamb Chops—Asparagus With Hollandaise Sauce

Have lamb chops cut thick. Set regulator for broiling. Place chops on broiler rack so that there is a distance of about three inches between top of chops and source of heat. Allow to brown on one side, season with salt and pepper, turn and finish the cooking on the second side. Chops cut one-inch thick require about twelve minutes for cooking. Serve with asparagus tips topped with Hollandaise sauce.

Hollandaise Sauce

1 cup butter 2 tablespoons lemon juice
4 egg yolks 2 tablespoons salt Dash of cayenne

Divide butter into three equal parts. Place one piece in top of double boiler. Add egg yolks and lemon juice. Place over water that is just below the boiling point and stir constantly. When butter is melted, add second piece of butter, and as mixture thickens, add a third piece, stirring constantly while cooking. Cook only until thick. Remove from hot water, add seasonings, and serve at once with hot asparagus tips.

**WISCONSIN GIRL
IS SKATING STAR
AT ICE FOLLES**

Bess Ehrhardt, blonde beauty of the Ice Follies of 1940, now appearing nightly at Winterland, in San Francisco, rose to fame practically overnight. "America's Sweetheart of the Ice" was unknown three years ago, except for minor local fame in the vicinity of her home town, Superior, Wisconsin.

Today her name is a household word. Her rapid rise to the top is almost unequalled in the sports amusement world and critics say she has reached stardom five years sooner than is usual for a skating star.

In the Ice Follies of 1940 beautiful Bess presents a solo number and also appears in a pair act with Roy Shipstad, who is acclaimed as the world's greatest living skater.

Brunette Bess has a style all her own on the ice. She is a dynamic sort of person, with a definite flare for the acrobatic and the spectacular. Possessing a rare sense of showmanship she has developed her two specialty numbers through several hundred performances with the colorful figure skating carnival in the last two years to a point of absolute perfection.

In her pair act with the world renowned Roy Shipstad, Miss Ehrhardt presents a routine more complicated than any ever attempted on the ice.

Ice Follies tickets are available for every performance at Winterland, Walnut 0112; at Sherman Clay box offices in San Francisco and Oakland, and by mail order addressed to Winterland, Post and Steiner Streets, San Francisco.

**Army Now Offers
Fine Opportunities
For Advancement**

SAN FRANCISCO — Unprecedented peace-time opportunities for promotion are being offered in the U. S. Army with the establishment of scores of new units, it was pointed out today by Colonel G. T. Perkins, who is in command of the Northern California Recruiting District.

With more than a dozen new units being organized at Camp Ord, near Monterey, California, to form the new Seventh Division and its auxiliaries, and with personnel to be drawn principally from Western states, chances for non-commissioned officers ratings are excellent for those who have had prior service.

ROTC, CMTC or high school graduates stand an excellent chance of advancing rapidly in the growing army, Colonel Perkins said.

Those enlisting now or in the near future will have the greatest opportunity for promotion, it was pointed out. Local recruiting headquarters are located at OAKLAND New Post Office building and SAN JOSE, 211 New Post Office building.

The Eagle's Lodge of Alameda County held their annual Picnic at Linda Vista Park on Sunday, July 1st. During the day the Berge ambulance of Irvington was called because of the sudden illness of one of the members. He was taken to San Leandro where he was treated.

**WORLD'S FAIR OFFERS
MANY FREE ATTRACTIONS**

TREASURE ISLAND — Never before in the history of world Fairs have so many free attractions been offered the public as are available at the 1940 Golden Gate International Exposition.

Each day from 25 to 35 free shows, lectures, concerts and other features are listed on the Exposition program. They may all be enjoyed for the single admission fee of 50 cents and any one of them is well worth this charge.

Outstanding among the Exposition's free shows are the new Thrill Aerial Show and the Red, White and Blue Revue, each with two daily performances; "Candyland," the new children's show, featuring Jo-Jo, the famous Exposition clown, and "Fairyland Fantasy," a night show that has won the approval of both young and old since the opening of the 1940 season.

Interspersed in the daily programs are free band concerts, symphony music, motion pictures, lectures, travelogues, religious exercises and other features too numerous to mention — the biggest 50 cents-worth ever offered.

**331,700 PERSONS SIGN
OLSON RECALL PETITIONS**

LOS ANGELES — A complete checkup by the Olson Recall Committee here today revealed that total of 331,700 Californians have signed the petitions calling for an election on the recall of Governor Olson.

Filings in Orange, Riverside, Santa Clara, San Francisco, Alameda, San Diego, Sacramento, San Joaquin, Fresno, and Contra Costa Counties brought the original total to 70,000 signatures.

Since that time 255,000 names have been presented in Los Angeles County and a supplemental list of 6,700 has been secured in San Francisco accounting for the 331,700 total.

We have to hoard up money for vacation too, like the majority of folk in our circumstances. BUT we DID put in new gas heating equipment. What we saved about equals what we will spend for our vacation. Monthly payments are put off until after October 1st, which is a big help to our budget. The men who installed our new furnace say it will give a lot more heat, faster and livelier and will be mighty reasonable to operate. We feel real proud of this summer bargain we made.

**ITINERANT STRUCK
NEAR NEWARK LAST
SUNDAY EVENING**

NEWARK — Joe Cardoza, along with his family from Hayward and a group of friends from other nearby towns, had a mishap last Sunday evening, returning home from a picnic at Alum Rock Park. Cardoza, driver of the truck, struck an itinerant on Thornton avenue near Mikkelsen's garage at Newark. Cardoza claims that another automobile was approaching him at the same time, and as it was 8 o'clock in the evening, the lights from this car seemed to blind him and the itinerant must have been walking very close to the highway. The driver did not see him until his pack hit the truck. The itinerant, whose name was not learned, was rushed to a nearby hospital and traffic officers reported the accident immediately.

The people returning in the semi-truck were: Mr and Mrs Joe Cardoza and family of Hayward; Louis Andrade, Mr and Mrs Robert Schmidt of Orland, and John Cademus of Orland; Mr and Mrs Joe Calderia and family, Mr and Mrs Louis Calderia and family, Mr and Mrs Maurice Calderia, Mr and Mrs A. C. Silva, Mamie Calderia, Louis DeVale, Jeanette Silva, Mr and Mrs Joe Milani, and Lillian Calderia all of Newark; Mr and Mrs Clarence Silva, and Patricia Costa of Hayward; Chauncey DeSopa of San Jose; Allen Amaral and Mr and Mrs Tony Rocha of Alvarado, and a couple from Oakland.

DECOTO — George Fields, township trumpet player of Decoto who was injured in an auto accident about two weeks ago is expected to return home from the San Jose hospital this week.

**BIG COUNTY FAIR
BIDS FOR YOUR ATTENDANCE NOW**

Folks who enjoy an old fashioned county fair, typically rural in atmosphere but yet offering enjoyable entertainment and the thrills of running horses should by all means visit the Alameda County Fair at Pleasanton, which opened Wednesday and continues through Sunday.

Displays feature products grown within the county, also farm machinery, cattle, hogs, poultry, horses, rabbits, sheep and other livestock.

The floral arrangements, in charge of a committee of women, are most attractive as are the entries of the sewing clubs featuring clothing and art work, done by the needle.

A parade on Sunday, July 28 will add glamour to the affair. The grandstand seats upward of 3,000 people according to Supervisor George Hellwig, an active leader on the county fair committee.

There is ample parking space and numerous attractions that will make your visit to Pleasanton most enjoyable. It is your county fair and its success depends on the interest manifested by the people throughout Alameda County.

**NEW SWIMMING POOL
AT MISSION OPENED
AT SUNDAY EXERCISES**

MISSION SAN JOSE — The old historic town of Mission San Jose was a beehive of activity on Sunday when the new swimming pool, which is 75 by 30 feet, at St. Marys of the Palms, was dedicated.

At 2:30 the entertainment began. Those taking part were Miss Dawn Scanlon, Bill King, Alice Kennedy, Margaret Fraser, Hal Monte, Byrna Lewis, Leo Devenenzi, Mrs Madeline Coughlin and Al Cremele.

The program was followed by several speakers. Reverend Father John Leal and Father Manuel Rose of St. Joseph's church; Father Hugh Ryan of Dominican Convent gave benedictions and speeches. Father Albert Muller of St. Marys and Alfred DeSouza of Centerville also cooperated.

During the services seven United States bombers from Moffett Field led by Lieutenant Commander George Dixon of the United States Naval Reserve Corps dipped in salute over the pool at about 4 o'clock. Several hundred spectators from the surrounding country attended. The cost of the pool was estimated at \$5,000 and a great deal of this amount was donated by the patrons and friends of the school.

DELEGATES RETURN FROM PRESBYTERIAN CAMP

The six delegates of the Presbyterian Churches of the township returned Wednesday afternoon from a completely successful period at Camp Kent, located near Muir Woods, in an attractive and unusually suitable location, in Marin County. The site offers easy access to mountains and ocean. Those who attended from this area were Paul Kouns, Frances Hilton and Nancy Stark of the Newark Presbyterian Sunday School; Hugh McIvor, Ruth Justus and Bert Justus of Mission San Jose, members of the Irvington Community Sunday School.

They were accompanied by Mrs Marie Kirk who was director of music at the camp and girl's counselor, and Arthur Kirk who assisted during the last half of the camp period.

OBSERVE WHITE LINES

The motorists' chance in court, reports the National Automobile Club, is very much affected by his position in relation to the white line on the highway at the time of a mishap.

Christian Science Churches
"Life" was the subject of the Lesson-Sermon Sunday, July 21, in all Churches of Christ, Scientist, branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass.

The Golden Text was: "This is life eternal, that they might know thee the only true God and Jesus Christ, whom thou hast sent" (John 17:3). Other Bible citations included: "I call heaven and earth to record this day against you, that I have set before you life and death, blessing and cursing: therefore choose life, that both thou and seed may live: That thou mayest love the Lord thy God, and that thou mayest obey his voice, and that thou mayest cleave unto him: for he is thy life, and the length of thy days: . ." (Deut. 30: 19, 20, to second).

The Lesson-Sermon also included the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Life is divine Principle, Mind, Soul, Spirit. Life is without beginning and without end. Eternity, not time, expresses the thought of Life, and time is no part of eternity. One ceases in proportion as the other is recognized" (p. 468).

RULINGS GIVEN FOR TRAVEL INTO CANADA

(Special to The Register)
SEATTLE — Deluged with inquiries from prospective visitors to Canada, R. P. Bonham, district immigration director, yesterday issued a summary of the recent regulations affecting travel between the Dominion and the United States.

In brief they are:

American citizens going to Canada—No passports or visas are required, but persons crossing the border should carry with them documentary proof of citizenship.

Aliens going to Canada—Reentry permits should be obtained here in the event they expect to return to this country. These cost \$3. If the permits have not been secured they must obtain both a passport from the government of which they are nationals and also a visa from the American consul before they can come back to the United States. These cost \$10.

Canadians entering the United States—A passport issued by the Canadian government and a visa from the American consul are required. There are American consulates at Vancouver, Victoria and Trail, B. C.; Calgary, Alberta; and Regina, Saskatchewan. Passports cost \$1, visas are free.

Bonham pointed out that approximately three weeks are required for aliens to obtain reentry permits. Applications must go from an immigration office to Washington, D. C., where the legal admission of the alien to the United States is verified.

NEW HIGH FOR SUMMER AUTO TRAVEL

Judging by inquiries received at touring bureaus, requests for road maps, and all other "straws in the wind" which can be analyzed, the 1940 summer season will mark a new high in the number of miles piled up by American motorists on weekend and vacation jaunts.

In the opinion of Clarence Crane Niles De Soto-Plymouth dealer, this fact is a challenge to the selling staff because they have a product which offers the vacationist a long list of important advantages.

"For instance," Crane says, "De Soto's all-weather Aircontrol system, numerous safety features, scientifically balanced ride and convenience items become especially important on long trips.

"In dusty or stormy weather the all-weather aircontrol system provides passengers with a flow of fresh, filtered air, even with the windows closed" he points out.

FREE PUPPET SHOW OFFERED AT FAIR

Shattering all previous attendance records, the Petroleum Exhibit puppet show on Treasure Island continues to head the list of free attractions at the Fair in Forty. Nearly a half million people have already attended this year's puppet presentation and the puppet cast recently gave their 1000th consecutive performance before capacity crowds at the puppet theatre at the petroleum exhibit in the Vacationland building.

The 1940 presentation, entitled "Buoy and Gull", offers an extremely fast moving nautical fantasy, replete with humorous situations and carrying an underlying serious note on the staggering taxation bill met annually by the petroleum industry.

CHILDREN'S DAY AT FAIR AUGUST 11

TREASURE ISLAND — Arthur Linkletter, author and producer of "America! Cavalcade of a Nation," Theme spectacle of the 1940 Golden Gate International Exposition, will be master of ceremonies when more than 5,000 children gather on Treasure Island August 11 to form the world's largest orchestra.

The day will be known as Junior Musicians Day and is sponsored by the National Institute of Music and Arts. Children between the ages of six and sixteen will

give their concert under the direction of Karl Stiska, well known conductor.

Constipated?

"For years I had occasional constipation, awful gas bloating, headaches and back pain. Always helped right away. Now, I eat sausages, banana pie, anything I want. Never felt better." Mrs. Mabel Schott.

HOW TO REGISTER
NEW CAR BOUGHT
OUT-OF-STATE

(Special to The Register)

Occasionally a California resident purchases a new car from a dealer in another state and is at loss as to the best procedure to correctly register same, advises the License Department of the National Automobile Club. Although it is possible and generally more convenient to register the new car in the state of purchase, the plates issued by that state will not be honored by the State of California upon his arrival here as he is not entitled to a Visitor's Permit. By far the best and cheapest procedure, if time permits is to apply for original California registration. This is possible by obtaining from the Department of Motor Vehicles or National Automobile Club, the necessary forms of application, some of which must be completed and signed by the non-resident dealer.

Upon submitting these completed forms together with copy of the factory invoice from the manufacturer Vehicles will issue plates and original California registration, enabling the purchaser to legally drive the car to his home state. In order to complete the transaction, the owner will then have his car inspected to verify the vehicle as the one described in the application. This procedure avoids double registration fees and in many cases double sales tax.

WEDNESDAY'S GAME PROVIDES THRILLS FOR SOFTBALL FANS

GILMORE STEEL RETAINS LEAD AT TOP OF TOWNSHIP LEAGUE

The scores and highlights of the Washington Township Softball League last week were as follows: Monday evening, the Woodmen of the World won their 5th straight game by upsetting the County Employees Association by a score of 9 to 7. In the second game, the Native Sons trimmed the cellar team, Knights of Pythias by a score of 13 to 2.

On Tuesday evening, the Kraftile club defeated the league leaders, Gilmore Steel by a score of 7 to 3, while in the second game, the Wedgewoods of Newark trounced the Westvaco of Newark by a score of 13 to 1. Henry Dutra in the first game hit a home run for Kraftile.

On Wednesday evening, the first game was a non-league game played between the Newark Fire Department and the Morton Salt Company, with the firemen losing by a score of 9 to 6. Arthur Martin for the firemen was the star hitter getting a double and a single out of 3 tries. Claudine for the winners also got a single and double out of 3 tries. The second game was a league game between the County Employees' Association and the Knights of Columbus with the Knights losing by a score of 1 to 0. This game was one of the fastest and the most thrilling games ever played at the high school.

On Thursday evening, the Westvacos upset Kraftile by a score of 7 to 6. In the second game, the Native Sons defeated Wedgewood by a score of 11 to 10. In this game Wedgewood was leading the Native Sons in the 6th inning 10

to 2, but 9 runs in that inning clinched the game for the Native Sons.

Friday evening, the Knights of Pythias upset the County Employees' Association by a score of 12 to 5, while in the second game, the league leaders, Gilmore Steel defeated the Knights of Columbus by a score of 6 to 3.

ELEVEN W.U.H.S. BOYS EXHIBIT LIVESTOCK AT COUNTY FAIR

CENTERVILLE — Eleven boys from the agricultural department of Washington Union High School are competing for prizes at the Alameda County Fair at Pleasanton. The department won considerable cash at last year's fair.

The boys who left Tuesday under the supervision of James Elsea, assistant director of agriculture, are Bill Borba, Joe Schelbert, Lawrence Leal, Lionel Rocha, John Reina, Adam Lewis, John Ura, Oliver Benbow, Louis Sessa, John Vierra, Elmer Leal. They are exhibiting 15 dairy cattle, two beef cattle, eight lambs, 16 hogs and horticultural products. They are remaining in Pleasanton until Sunday.

GIVEN FINAL RITES

CENTERVILLE — Soledad Perez, 45, formerly of Half Moon Bay, was given final rites at the Chapel of the Palms Thursday of last week. She passed away at an Oakland hospital after a long illness and is survived by four children. Interment was made in the Holy Ghost church.

Completion Of Niles Canyon Highway Expected In August

Completion of the new Niles Canyon highway is expected the last of August according to representatives of Piombo Brothers, contractors. Grading of the new road is now in process and as soon as the job is completed work will start on the other portion of the new canyon road near Sunol.

The new stretch of road at Niles has eliminated two antique bridges condemned for heavy loads and has done away with several of the canyon's "ole swimming" holes which have been popular for many years. Its benefits include increased trucking through Niles as this is the only water-level route from the interior to the Bay section and additional safety to the general motoring public.

It is understood that plans to hold a public program at the opening of the road are being postponed until the Sunol segment is completed and the Pleasanton Chamber of Commerce is invited to participate in the celebration.

LAST OF "GOOD UNTIL REVOKED" LICENSES CALLED IN

SACRAMENTO — The last group of "good until revoked" licenses — those issued in 1929 — definitely will be cancelled, probably early in 1941, James M. Carter, newly appointed director of motor vehicles, announced today.

"Cancellation of the 1927 good until revoked licenses has demonstrated so clearly the necessity for this step," Carter said, "that we have decided to call in the 1929 licenses as soon as possible. When these are cancelled there will be a tremendous rush as more than 1,000,000 still are in existence. They may be renewed at any office of the department, and holders are advised to renew them now."

All 1927 "good until revoked" licenses expired on July 1, and the 1928's have been cancelled as of August 1, he pointed out.

RETURN FROM TRIP

Mr and Mrs E. Martin returned to their Niles home recently following a two weeks motor trip to Portland, Seattle, Mt. Rainier, Vancouver, Victoria and Port Los Angeles. They enjoyed fine weather the entire time.

Intoxicating?

The beauty of this scene is, although it's only a giant wine glass of pure spring water being offered you by lovely Fay Lacey, one of the 1940 Fair's Golden Forties Girls on Treasure Island, who is aiding California's wine industry.

PLAY BEGINS IN VOLLEYBALL SKED AT NEWARK

SIX TEAMS ORGANIZED FOR GAMES WEDNESDAY AND THURSDAY NIGHTS

NEWARK — A special meeting of the Cooperative Volleyball Association managers was held last Wednesday evening at the Newark Pavilion. The main discussion at the meeting was that the managers of this league approved plans of starting play this week on Wednesday evening, July 24 at the Newark Pavilion. The first game of the opening night was to be played between the Newark Sportsmen Club and the Newark Fire Department, while the Dead End Kids were to clash with Westvaco. Scores of these games will appear in next week's issue.

The purpose of this league is to create better sportsmanship and goodwill among its fellow members. Games during the league will be played on Wednesday and Thursday evenings of each week, six games each night. This league will end September 11. The public is invited and there will be no admission charges. A drawing will be held next month, with Chris Mikkelsen as chairman, for the benefit of this association and the proceeds will go towards the expense of operating and financing the league. The following teams are scheduled to play: Newark Sportsmen Club, Stanley Majeski, manager; Newark Rod and Gun Club, Bill Ruskofsky, manager; Newark Fire Department, A. C. Silva, manager; Westvaco, Manuel Brown, manager; Newark Enamels, Jake Springer, manager; and the Dead End Kids, John Martin, manager.

LEGION POST SPONSORS INVITATIONAL DANCE HERE SATURDAY NIGHT

Members, ladies and invited guests will enjoy an evening of dancing and fun Saturday evening in the memorial hall at Niles when Washington Township Post of the American Legion plays host at a dance with refreshments and gifts, donated by many merchants of the Township.

The leaders of the Women's Auxiliary, Junior Auxiliary, Sons of Legion and other dignitaries shared the platform with Commander Arthur Cotton.

An appeal was made for service people to accompany the Sons of Legion drum corps to the fair at Pleasanton Sunday morning.

Committee reports were given and Jack Dutra gave a fine report on his week at Boys' State.

The chair announced this was the last meeting until September 11 and it was voted to have a joint installation of officers with the Sons of Legion on September 25.

Lavish refreshments prepared by Manuel Brazil and his assistants concluded a memorable evening.

NEWARK GROUPS TO PARTICIPATE IN FAIR PARADE

(Special to The Register) NEWARK — The Newark Fire Department held their regular meeting on Monday evening at the Newark Fire House with George May presiding. Final arrangements were made for entering a car in the Alameda County Fair and Fiesta Del Vino parade Sunday at Pleasanton. The following groups will participate in the Fair parade at Pleasanton Sunday from the town of Newark: Newark Boy Scouts, Newark Fire Department, Newark Fire Department Ladies Auxiliary, Newark Booster's Club, Newark Sportswomen's Club, Newark Sportsmen's Club, Wedgewood and the Newark Rod and Gun Club, according to Chairman Joe Pashote of the Newark Unit.

HENRY CROSBY PASSES

CENTERVILLE — Henry Crosby, native of Centerville and well-known throughout the township died in Oakland last Thursday. Funeral services were held last Friday afternoon at the Grant D. Miller Mortuary. The deceased was the husband of Mary Decoto Crosby, the brother of Dr. Daniel Crosby and the late Edward Crosby and Judge Peter J. Crosby.

J. E. THANES TO OBSERVE 66TH ANNIVERSARY

Mr and Mrs J. E. Thane will celebrate the 66th anniversary of their wedding on Sunday at the home they have occupied on Mission Road for more than 50 years. Friends are planning to call from 2 to 5 o'clock and extend congratulations to the couple who have achieved an enviable and outstanding record in community service and wide friendships throughout the township and the Bay section. Mrs James R. Whipple, their daughter, will receive.

Mr and Mrs Thane were married in San Francisco on July 27, (the birthdate of Mrs Thane's father, the late Judge H. J. Tilden). Mrs Alice Thane Renouf of Carmel, sister of "the groom" was maid of honor and is expected to be at the reception Sunday.

TO MEET EARLY

IRVINGTON — Washington Township Sportsmen's Club members who expect to take part in the annual all-day outing set for Sunday are asked to meet at the F. E. Booth Cannery at Pittsburg at 6 a.m. Sunday morning, according to V. M. Cramer, secretary. The fishing boat will leave the dock at 7 o'clock sharp.
